

Welcome to the
Village of Lake Barrington
Electric Municipal Aggregation Program

June 18, 2021

Dear Village of Lake Barrington Resident,

The Village of Lake Barrington is pleased to inform you that we are renewing our **Green Electric Aggregation Program**. Following a competitive selection process, Dynegy Energy was selected as electric supplier through August 2023. The Village will retain its designation as an EPA Green Power Partner and is currently ranked #14 in the nation by the EPA in terms of percentage Green Power versus total power consumed. You will automatically be enrolled in the program as a Village of Lake Barrington resident—and there are never any switching or early termination fees.

Program Details:

- The program offers a fixed low rate of **\$0.06032 per kWh guaranteed until August 2023**.
- Your current billing method will not change. You will continue to receive one monthly invoice from ComEd.

Your Options as a Customer:

If you choose not to participate in this 100% Green Program, please contact Dynegy by returning the enclosed postage pre-paid opt out card or calling (844) 351-7691 by **July 9, 2021**, regardless if you have opted out of past programs. To learn more, please review the enclosed Terms and Conditions attached to this notice or visit www.Dynegy.com.

You also have the option to purchase electricity from a Retail Electric Supplier, or from ComEd without penalty pursuant to Section 16-103 of the Public Utilities Act. Information can be found at www.PlugInIllinois.org and www.ComEd.com. You may request from the Illinois Power Agency, without charge, a list of all supply options available to you in a format that allows comparison of prices and products.

Dynegy is an independent seller of power and energy service and is certified as a Retail Electric Supplier by the Illinois Commerce Commission (ICC Docket No. 14-0336). Information about Electrical Aggregation can be found on the Village's website, www.LakeBarrington.org under Resident Services.

Sincerely,
Village of Lake Barrington
