Dear South Zanesville Residents and Businesses,

Welcome to the Village of South Zanesville's Electric Aggregation Program. On May 8, 2018, the Village of South Zanesville's voters authorized the Village to form a governmental aggregation program and negotiate favorable electric supply prices for eligible residences and businesses. The Village recently selected Dynegy as the program supplier through your December 2021 meter read. Both South Zanesville and Dynegy are certified by the Public Utilities Commission of Ohio to provide this service.

Program details:

- **Fixed Electricity Price** of 5.06¢ per kWh through your December 2021 meter reading.
- **No cancellation fees at any time!**
- You receive one energy bill including the Dynegy charges from AEP Ohio, your local utility.
 - Budget billing will only be available for the AEP charges on your bill. Please contact your electric utility for more information.
- AEP Ohio will continue to deliver your electricity and maintain the electric lines and respond to emergencies.

As an eligible resident or small business, you will automatically be enrolled in the program unless you choose to opt-out (not participate) by **November 15, 2018**.

Program Enrollment

After your enrollment is finalized, AEP Ohio will send you a letter confirming your enrollment. As required by law, this letter will inform you of your ability to rescind your enrollment with no penalty.

How to Opt-Out

If you do not wish to participate, you must opt-out no later than **November 15, 2018**. You can do this by completing and returning the reply card below or by calling 888-682-2170.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynegy. If you become part of the aggregation, you may cancel the agreement at any time at no charge by providing notice to Dynegy. If you choose to opt out of the program at this time, or if you choose to leave the program at a later date, you will be served by your utility, AEP Ohio, under its standard service offer or until you choose an alternative supplier. If you switch back to your utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by your utility. For questions, contact Dynegy at DynegyCustomerService@dynegy.com or call 888-682-2170. Please see the enclosed Terms and Conditions for full details regarding the rate option and other terms of the program.

Regards,
Village of South Zanesville Council & Dynegy
